MEMORANDUM

TO: Project Communications Officer

FROM: Project Director

1. You are hereby requested to immediately proceed with the installation of a TMO facility with cryptographic capability at the Eastman film processing plant.
2. This facility, eventually, must be staffed to operate on a 24 hour basis but initial operations can be staffed out on an 8 hour basis.
3. The Project Contracting Officer will make arrangements with cognizant Eastman personnel for the recruitment of personnel under an existing contract at Eastman for training by Commo personnel. Costs of installation and operation of such equipment will be charged to such contract.
4. The Project Security Officer will assist you in any way possible, including clearance of Eastman personnel to be trained in the use of this facility.
